Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Planetarium Renovation in Fiscal Year 2027. The entity to receive funding for this project is San Francisco State University (SFSU), located at 1600 Holloway Avenue, San Francisco, CA 94132. The funding would be used to complete the planetarium's technology upgrades, ensuring it remains a state-of-the-art hub for science education. The project is an appropriate use of taxpayer funds because the Planetarium is a central educational landmark, serving as a vital educational resource for the broader city.

The project has a federal nexus as described in section 20102 of title 51, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
