The Honorable Kay Granger, Chairwoman
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Promoting Energy Efficiency in Affordable Housing in fiscal year 2024. The entity to receive funding for this project is Tenderloin Neighborhood Development Corporation (TNDC), located at 201 Eddy Street, San Francisco, CA 94102. The funding would be used to increase energy efficiency in three housing sites serving unhoused seniors dependent on Section 8 benefits, most of whom are disabled and unable to work. The project is an appropriate use of taxpayer funds because it will reduce carbon emissions and the use of fossil fuel-dependent energy sources in the facilities, while improving the comfort and quality of life of low-income senior tenants.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
