The Honorable Kay Granger, Chairwoman
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the All-Electric Shuttle Buses project in fiscal year 2024. The entity to receive funding for this project is the Regents of the University of California, San Francisco, located at 1625 Owens Street, Suite 205, San Francisco, CA 94158. The funding would be used to replace six gasoline and diesel buses with all-electric shuttle buses at the University of California. The project is an appropriate use of taxpayer funds because it will build on the University's commitment to reducing the combustion of fossil fuels and commute-related CO2 emissions, which account for more than one-third of the total emissions.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
