Dear Chairman Cole and Ranking Member DeLauro:

Thank you for your work on the House Appropriations committee. I am respectfully requesting funding to support Code Tenderloin's Workforce and Wellness Hub, in Fiscal Year 2026. The entity to receive funding for this project is the San Francisco Office of Economic and Workforce Development and is located at 1 Van Ness Avenue, San Francisco, California 94103. The funding would be used to directly addresses the growing need for housing stability, economic opportunity, and services for unhoused, formerly incarcerated and low-income residents. The project supports neighborhood revitalization and public health while advancing Code Tenderloin's mission to remove barriers to employment. The project is an appropriate use of taxpayer funds because The new facility will serve as a vital anchor site for comprehensive services, including job training, reentry support, housing navigation, and behavioral health referrals for unhoused and housing-insecure residents in the Haight-Ashbury and surrounding neighborhoods. By offering day habilitation classes, financial literacy education, and community-building opportunities, the project will help tenants maintain housing stability and increase self-sufficiency.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
