The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

Thank you for your work on the House Appropriations committee. I am respectfully requesting funding to support capital expenses for Jerrold Commons, a new shelter program in our Bayview community, in Fiscal Year 2026. The entity to receive funding for this project is the San Francisco Department of Homelessness and Supportive Housing and is located at 440 Turk Street, San Francisco, California 94102. The funding would be used to support installing permanent restrooms and showers, modifications to existing parking lot and buildings on the site, updating fencing and procurement and installation of cabins. The project is an appropriate use of taxpayer funds because it is expected to serve up to 300 older adults and adults experiencing homelessness in CA-11, directly addressing the disproportionate experience of homelessness in this community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

best regards,

NANCY PELOSI
Speaker Emerita
