Dear Chairman Cole and Ranking Member DeLauro:

Thank you for your work on the House Appropriations committee. I am respectfully requesting funding to support the Treasure Island Job Corps Center's modernization and redevelopment, in Fiscal Year 2026. The entity to receive funding for this project is the San Francisco Office of Economic and Workforce Development and is located at 1 Van Ness Avenue, San Francisco, California 94103. The funding would be used to help initiate environmental analysis, long term planning and design for the modernization and redevelopment of the Treasure Island Job Corps site and facilities. The project is an appropriate use of taxpayer funds because the site currently consists of surface parking lots and buildings that are past their useful life. This analysis is the first step in modernizing the facilities, improving the existing geo-technical conditions to seismically safe standards while also expanding the opportunities for additional housing and commercial facilities. This first step will allow the Job Corps site to contribute to the vitality and sustainability of San Francisco's newest mixed-use and mixed-income neighborhood and improve the learning environment for job corps trainees.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
