The Honorable Tom Cole, Chairman  
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member  
House Appropriations Committee

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for CityBuild Pre-Apprenticeship Training Center Expansion in fiscal year 2025. The entity to receive funding for this project is San Francisco Office of Economic and Workforce Development, located at 1 Van Ness Avenue, San Francisco, CA 94103. The funding would be used to acquire additional training space for CityBuild's pre-apprenticeship construction training program that provides career pathways for historically underserved San Francisco residents into the building and construction trades. The project is an appropriate use of taxpayer funds because it will attract prospective students, industry partners, and employers, further positioning the region as a hub for construction training and innovation.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI  
Speaker Emerita
