The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for 989 Post Street in Fiscal Year 2027. The entity to receive funding for this project is City and County of San Francisco Recreation and Park Department, located at 501 Stanyan Street, San Francisco, CA 94117. The funding would be used to convert a long time vacant former commercial property into a permanently accessible public open space. The project is an appropriate use of taxpayer funds because it would directly address long-standing scarcity of open space in one of San Francisco's most park-deficient neighborhoods, creating a safe and welcoming space for recreation, respite, and community connection.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI  
Speaker Emerita
