Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Bay Area Rapid Transit District (BART) Station Safety, Security and Rider Experience Program in Fiscal Year 2027. The entity to receive funding for this project is San Francisco Bay Area Rapid Transit District (BART), located at 298 Market Street, San Francisco, CA 94111. The funding would be used for labor and for equipment and materials (security cameras, LED lighting upgrades, landscaping, exterior repairs, etc.). The project is an appropriate use of taxpayer funds because it would allow BART to make investments designed to improve safety, security, cleanliness, functionality and overall rider experience at the Embarcadero Station.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
