The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for MSC South Shelter in Fiscal Year 2027. The entity to receive funding for this project is San Francisco Department of Homelessness and Supportive Housing (HSH), located at 440 Turk Street, San Francisco, CA, 94102. The funding would be used to support roof replacement and seismic planning, programming and design for MSC South Shelter, one of the largest shelters in Northern California. The project is an appropriate use of taxpayer funds because the project would ensure continuous operation of the program and create a new adult shelter replacement for MSC South that is designed to better serve people in a seismically safe, energy efficient and modern building without reducing capacity.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
