Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Elevator Modernization at Zuckerberg San Francisco General Hospital (ZSFG) in Fiscal Year 2027. The entity to receive funding for this project is San Francisco Department of Public Health (SFDPH), located at 1145 Market Street, 10th Floor, San Francisco, CA 94103. The funding would be used to modernize elevators in the ZSFG campus buildings that are repeatedly failing and causing major service disruptions. The project is an appropriate use of taxpayer funds because it will help to ensure the Department's ZSFG can remain operational, effective, and in regulatory compliance to continue provide essential care to San Francisco's diverse communities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
