Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for San Francisco Ferry Terminal in Fiscal Year 2027. The entity to receive funding for this project is Golden Gate Bridge, Highway and Transportation District, located at P.O. Box 29000, Presidio Station, San Francisco, CA 94129. The funding will support the structural rehabilitation of the San Francisco Ferry Terminal, including steel truss repairs and emergency communication upgrades. The project is an appropriate use of taxpayer funds because it would ensure the terminal remains safe and operational to support 1.5 million annual regional passengers.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI  
Speaker Emerita
