Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for San Francisco Civic Grove in Fiscal Year 2027. The entity to receive funding for this project is San Francisco Public Library, located at 100 Larkin Street, San Francisco, CA 94102. The funding would be used to install stage infrastructure, integrated utilities (power and lighting), and sound capacity, to humanize the space while reducing the need for repeated temporary installations for public events and the Heart of the City Farmers' Market. The project is an appropriate use of taxpayer funds because it would establish a permanent, flexible civic infrastructure within Fulton Plaza to support community gatherings.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
