Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for SF Market Campus Safety and Security Project in Fiscal Year 2027. The entity to receive funding for this project is San Francisco Office of Economic and Workforce Development (OEWD), located at 1 Van Ness Avenue, San Francisco, CA 94103. The funding would be used to transform the SF Market into a modern, seismically secure environment, installing vehicle and pedestrian gates, advanced access controls, signage, safety striping, and landscaping in the Market's Central Campus. The project is an appropriate use of taxpayer funds because they will ensure the Market's compliance with the Food Safety Modernization Act (FSMA), enhance operational safety, and increase the resilience of this food infrastructure facility.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
