Re: Support for the San Francisco Department of Children, Youth, and Their Families' (DCYF's) FY 2027 Community Project Funding Request

Dear Speaker Emerita Pelosi,

I write in support of the San Francisco Department of Children, Youth, and Their Families' (DCYF's) FY 2027 Community Project Funding Request for \$2.4 million for the Ella Hill Hutch Community Center.

The Ella Hill Hutch Community Center provides many resources to children and families from across the city. The center sits at the intersection of San Francisco's Western Addition and Fillmore District, and serves as a vital hub for neighboring families to gather, engage, and connect. The center offers everything from mental health services to community-based programming.

However, Ella Hill Hutch Community Center is in significant need of upgrade and maintenance in order to ensure that it can safely continue to provide services to the community. Some needed improvements include replacing the HVAC system, fixing plumbing and electrical circuits, repainting, and reflooring. Without these improvements, the center is at risk of falling into disrepair.

As such, the City and County of San Francisco is submitting an application for \$2.4 million in FY 2027 Community Project Funding for the Ella Hill Hutch Community Center, and I write in support of this request. Thank you for your leadership and continued support of San Francisco.

All my best,
