Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Pier 15 Modernization and Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the Port of San Francisco, located at Pier 1, The Embarcadero, San Francisco, CA 94111. The funding would be used to support critical interior lighting upgrades at Pier 15 along San Francisco's historic waterfront. The project is an appropriate use of taxpayer funds because the upgrades will reduce energy consumption, decrease grid dependency, and support long-term sustainability, while improving lighting quality throughout Pier 15 for staff and visitors.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
Speaker Emerita
